

NPE2009 Student Summit – Speed Interview Session

Wednesday, June 24, 2009

4:00 – 6:00 PM – McCormick Place, Chicago, Illinois

Dear Plastics Company Executive:

The Society of the Plastics Industry, Inc. (SPI) is pleased to offer the Student Summit Speed Interview Session to be held **Wednesday, June 24, 2009**, sponsored by SPI, SPE, and Gros Executive Recruiters, during NPE2009. The NPE Student Summit offers a program to students to enhance their knowledge of the plastics industry and encourage entry in plastics-related careers. Realizing the challenges companies face in securing talent for their workforce, we would like to offer your company the opportunity to interview top level college students during the NPE Speed Interview Session. We encourage you to send your Human Resource personnel or other personnel with hiring responsibilities to NPE2009 to take advantage of this opportunity.

How Does the Speed Interview Session Work?

Companies reserve a table in the Speed Interview Session. Students register to participate in the session and submit a resume. Students are currently being recruited for the program from the University of Massachusetts Lowell, Purdue, Ferris State, Western Michigan, Penn State, and other top colleges. Each student will interview at a company table for ten minutes, a whistle blows, and the student moves to the next table. If the student pool exceeds companies, students will be assigned to interviews on a cross-match system based on the student's career track to the company's talent needs.

What is the Fee to Reserve a Table in the Speed Interview Session?

There will be no fee for NPE2009. SPI has decided to waive the fee for NPE2009.

What does the Reservation Include?

- Skirted table in Speed Interview Session.
- One complimentary registration for NPE (currently \$60 advance and \$90 onsite)
 - NPE registration includes admittance to show floor – providing personnel with access to the latest technologies in the plastics industry.
- Networking Reception during the Speed Interview Session.

How Does My Company Reserve a Table in the Speed Interview Session?

- Complete and submit the attached Reservation form – space is limited, so early reservation is encouraged.
- Questions: Contact Felecia Marsh-Madison at 202.974.5285 or educate@npe.org.
