

Plastics Hall of Fame Gala

Plastics Hall of Fame Gala

May 6 | Orange County Convention Center | Orlando, FL

Linda W. Chapin Theater | 6:00 PM–9:00 PM

Co-Located with NPE2018: The Plastics Show

Partner with the Plastics Industry Association (PLASTICS) to honor inductees entering the 2018 Plastics Hall of Fame.

Honoring the men and women around the world who have made major contributions to shape the direction and future of the plastics industry.

There are countless individuals who have made important, groundbreaking contributions to the growth and strength of the plastics industry. Join your peers and industry professionals to celebrate the incredible contributions of 9 selected plastics professionals who will be inducted into the 2018 Plastics Hall of Fame.

As one of the major events of NPE2018 in Orlando, Florida, the Hall of Fame (HOF) celebration is held in the stunning Linda Chapin Theater and features a formal awards ceremony and a cocktail reception with open bar, hot and cold food, and the opportunity to meet and congratulate the honorees while connecting with industry colleagues. *This event not only celebrates the plastics industry, but also serves as a fundraiser for scholarships through the Plastics Academy and the Future of Plastics Foundation.*

Join us in celebrating those who have shaped our industry and support the future of plastics.

Learn more about the Plastics Hall of Fame [here](#).

“ Our partnership with PLASTICS and their members allows us to engage in a dialogue and to see challenges as they do. We share core values in the importance of safe products, strong relationships, and providing regulatory truth. This translates in our passion to be the best in what we do, to support our partners achieve success, and for all to have access to compliant and safe products. Our products and services therefore help PLASTICS members in meeting the complexities and risks of a global market. ”

—Dr. Ruud Overbeek, Chief, Business Development & Strategy, Decernis LLC
