

NPE2021: THE PLASTICS SHOW
 Orange County Convention Center
 May 17–21, 2021 | Orlando, Florida USA
 NPE.org | #NPE2021

NPE2021 Pre-Draw Space Assignments

Member companies of the Plastics Industry Association (PLASTICS) holding a 29 NPE show history designation (Member 29) descending through to a 15 NPE show history designation (Member 15) are eligible to participate in our NPE2021 Pre-Draw space selection process.

NPE2021 Pre-Draw Space Assignment Process

- ❖ The NPE2021 floor plan is a “work-in-progress” consisting of 10’x10’ booths during our Pre-Draw space assignments.
- ❖ As a reference, you may view your company’s NPE2018 booth location on the NPE2018 floor plan.
- ❖ On June 11 and/or June 12, 2019, a GoToMeeting invite will be sent to you and your team for your 20-minute online space selection appointment. Using the link in the GoToMeeting invite will allow you to view the floor plan and the creation of your booth on our PLASTICS team’s computer. When you receive the invite, we encourage you to use the invite’s link to download the GoToMeeting app in preparation for your appointment.
- ❖ PLASTICS staff will participate in your space selection process to provide show information and answer questions about show services (utilities, bundle packages, hall specifications, etc.).
- ❖ If you need to make any adjustments and/or changes to your space following your booth selection, you must contact predraw@npe.org to request a booth change appointment, which will be scheduled during the next available Booth Change timeslot.
- ❖ We will do our best to accommodate requests outside your assigned appointment day and time, but please note this may result in lowering your position in the space selection process.

NPE2021 Pre-Draw Space Assignment Schedule (Revised 6/13/2019 – revision highlighted yellow)

The following NPE2021 Pre-Draw Space Assignment Schedule is based on the results of the NPE2021 Pre-Draw Lottery held on June 10, 2019 to determine the space selection order within each category.
